ADVISORY

Subject: Systemic Improvement in the matter of CTE inspections—Advisory regarding conditions for Site Laboratories in NITs.

In compliance with the directions of the Central Vigilance Commission (CVC) regarding systemic improvements, all NIT approving authorities of PWD Delhi are hereby advised to ensure that conditions relating to site laboratories in future NITs are framed only after duly considering:

1. **Site Feasibility:** The actual availability of physical space at the work site.
2. **Practical Constraints:** Account for traffic density, operational limitations, and the nature of the project (e.g., scattered locations) before incorporating mandatory site lab requirements.
3. **Alternate Provisions:** Where a site lab is not feasible, the NIT should clearly specify alternate arrangements for quality testing at approved/authorized laboratories to ensure transparency and compliance.

This is intended to avoid technical violations arising from impractical contract requirements. This advisory applies to all wings of PWD Delhi to ensure uniform compliance.

This issues with the approval of the Engineer-in-Chief, PWD.

Deputy Director (Works)

To: (Through PWD website)

1. All CEs, All SEs, All EEs, All AEs, PWD, GNCTD.

Copy for information to:

1. The Additional Chief secretary, PWD, GNCTD, 3rd floor, MSO Building, New Delhi-110002
